More information including 2021 conference updates and agenda will be posted on the AGSTC website: agstc.weebly.com.

Conference
Blacksburg, VA, June 23, 2021

**New for
2021**

Sanitation Training
June 24-25, 2021

AGSTC Sponsors

Your sponsorship will help support seafood technology education and research. All sponsors (\$500+) will:

- Receive 1 conference registration (\$100 in value) for every \$500 donated or 1 conference + sanitation training registration (up to \$350 in value) for every \$1000
- Have their logo displayed at the meeting and on the agenda
- Be verbally acknowledged during proceedings

AGSTC hopes that, with time, your support will also allow us to support student scholarships and increase participation. The AGSTC aims to establish and maintain the exchange of technical and scientific information on wild-caught fisheries, aquaculture and seafood science in the region.

**2021 Sponsorships
can be sent to:**
